NORWAY AND VICINITY

Ralph S. Osgood is visiting his par-ent in Lowell, Mass., this week, and his nephews, sisters, nephews and nieces in that manufacturing city.

Friday, April 16—commenced to clean up Main street, the annual spring clean up.

Mr. and Mrs. Wm. C. Leavitt spent the weekend with their son, W. H. Leavitt and wife in Portland.

Gertrude Lombard, a student at Bates college, spent Monday and the week-end with her aunts, Mary Millett, Mrs. Harriet Porter and Helen Noyes.

Helen Bangs and Helen Ecknell came from Auburn to spend the holiday with Miss Bicknell's parents, Mr. and Mrs. W. A. Bicknell.

Macdon Gibson's Sunday school class met at the M. E. vestry on Thursday evening for a church social. After col-ec-tions were untangled, other games were enjoyed and refreshments were served. All had an enjoyable time. Those present were Marion Gibson, Ruth Smith, Doris Stone, Flora Stevens, Levy McAl-ister, Ida Leatham, Annie Everett, Mary Morse, Edith Joslin, Vera Smith and Althea Butters.

Sim Harriman, high school janitor, says there are 3500 people in town and the coming census will show it. Wait and see.

Port Frost on Pike Hill sent in some horse-dish that filled the bill. His leanch of fiery spring goods is on sale at Brooks store.

Some people were saving meat, meat-saving week for the same reason, that the little girl did not want any pie— "be-cause there ain't any." The strike of railroad employees curtailed the western delivery.

Norway Grange are to have a May ball at their hall on the evening of Fri-day, April 20. Good music will be pro-vided. The affair is for the benefit of the grange. Worthy Master Grant Ab-bott and Mrs. Annie Goodwin are in charge of the dance and Mrs. Maude De-Coster will have charge of the refresh-ments which will be served during the evening.

The Farmers Union unloaded the past week 40 tons of fertilizer and a car load of chemicals for all of which orders had been received.

Charles W. Clark of the Clark Drug Co. is taking a week's vacation from his store duties.

Harry Rust No. 45, W. R. C. served a public dinner at Woodman Hall, Thursday, and the popularity of these dinners was manifest by the large pa-tronage, as about 200 were fed and many were turned away on account of the seating capacity. The committee from the Corps, consisting of Mrs. Sadie Lepharm, Mrs. Vera Kilgore, Mrs. Annie Beck and Mrs. Grace Whitmore were assisted by a committee from the Ladies Aid Society, Tent No. 3, Daughters of Veterans, com-prised of Mrs. Bertha Sturtevant, Mrs. Nettie Nevers, Mrs. Mildred Nevers, Mrs. Ida Gammon and Mrs. Eunice Marston.

The object of the dinner was to raise money to assist the Memorial Day ex-ercise and the Daughters of Veterans are to serve a similar dinner in May for the same purpose, assisted by a com-mittee from the Corps. Plans are under way to secure Grange hall for this pur-pose, that every one who may be seated at noon. At supper time a ten cent sup-per was served the members of the Corps and this raised the amount for the Mem-orial Day fund to over \$50. The regular lodge session followed the supper with a good number present. The committee was appointed as follows to assist the D. of V. at their Patriotic dinner: Mrs. Emma Swan, Mrs. Ida Gammon, Mrs. Grace Chalk, Mrs. Helen Camwell, Mrs. Sadie Klain. The mystery box was drawn by Mrs. Jennie Richardson. At the next meeting, May 6, there will be work on two candidates, and a penny lunch will follow in charge of Mrs. Ro-selda Banks.

H. Ray Bennett questions the sure-ty logic of Prof. Phineas Nicholas' statement that hundreds of fish unatched chicks. Ray secured 21 normal chicks from 26 eggs, the hatch came off April 14 just 6 days after our first thunder shower. This is a good record for ear-ly birds.

Harry A. Gibson has sold his grain business to the Farmers Union, who will secure the grain mill property and carry it on. Although legal formalities have not been completed, pending the result of a canvas for subscriptions, the transfer is reasonably certain as members of the Union are enthusiastic over the propo-sition and a large sum of money has been raised to date. Mr. Gibson and family are talking strongly of locating in Cali-fornia next fall.

Frank Stairs will accompany Orest Yandoli and Juan Ochoa to Rumford, Sat-urday, where a wrestling match and heavy weight lifting will be staged at the Arena in the evening. Mike Nadir and "Snack-ey" Payne also battle on the mat for a decision.

Some fifteen members of the band re-cently organized rehearsed in Engine House Hall Tuesday evening. This was the second meeting and excellent progress was made with the new music. They ex-pect to fill their first engagement here in the parade Memorial Day. Allie Cote, the well known cornetist, is leader.

BASEBALL

Norway High School 10; Paris H. S. 7
Norway High school won their opening game with Paris High school on the school grounds at South Paris, Satur-day afternoon. The game was hotly contested as the teams played close on score making with ties in the fourth, fifth, seventh and ninth innings. Rice of Norway made his debut in the box and gave evidence of becoming one of the big props for the school outfit. His strike out record tallied 14 batters against 7 laid low by Starbird and Robert Shaw of Paris High school.

Both teams hit freely and 5 extra bases by Paris and 3 by Norway boosted the score for the respective outfits. An un-usual large number of stolen bases were pulled off while errors proved only a normal number.

The teams were strongly supported by a large following with the usual cheering and enthusiasm.

Bakery Owners Change

The Twin Town Bakeries of Norway and South Paris, formerly owned and operated by F. Wilson Walker have been purchased by Edward H. Higgins of Lewiston, through the Chas. P. Kimball Real Estate Agency.

Mr. Higgins comes highly recommend-ed as a thorough business man. He has secured the services of Charles Seaver of Auburn, who has had many years' experience in the baking business and is considered one of the best in Maine. He has also added to his staff F. L. Ordway who formerly owned and operated a bak-ing business in Gorham, N. H.

Valma Higgins will have charge of the counter duties. Mr. Higgins and daughter have taken rooms with Mrs. Henry Bickford on Cottage street.

Wanted, Linotype Beginner

Howard Lasselle of Bath was here with his family a short time early in the week. Supt. and Mrs. True C. Morrill enter-tained over the week-end, Arthur Mar-ston, physical director of the Auburn schools. He will assist Supt. Morrill in reorganizing the Boy Scouts.

The Swastika Club met at Mrs. Geo. L. Sanborn's last Wednesday, April the 14th. Owing to the death of Mrs. Geo. W. Holmes the club was unable to meet this week and was postponed until next Wednesday the 28, which will be held at Charlotte Lovejoy's.

Adelaide Ramsell of Bethel spent the week-end with her grandparents, Mr. and Mrs. A. C. Holt.

Lot of things useful and otherwise on page 8. Look 'em over and pick out what you want.

L. J. Brooks has sold twelve gallons of Bert Frost's extra-fine-homemade, hand-grated horseradish.

Frank Seymour, tourist printer, called officially on our office last week. He has been looking for work which he seldom finds. He said Mont Chase at Bryant's Pond was rushed with job print-ing and he was on his way there. At the Pond the illusive work was at Bethel in the Citizen Office. Thus he chases a phantom.

Who plows gardens? The Intelligence Column is silent. Someone should adver-tise.

Tony Young of the Beals Tavern has re-turned from a week's vacation. Nate Merrill officiated in his absence.

Mrs. L. D. Deaver of Boston is a guest of her cousin, Mrs. Henry B. Foster and family. Mrs. Seaver is the daughter of the late Horatio Cole, a native of Nor-way.

Mr. and Mrs. Arthur Hebbard spent the week end at their cottage at Old Orchard.

A few Mayflowers are proudly borne by in the hands of the lucky finders. From now on for several months the country takes first place in the hearts of the people.

A. H. Spear of Oxford was a visitor in town, Monday.

Mr. and Mrs. Wilfred Conary spent the week end at Oxford, guests of Mr. and Mrs. A. H. Spear.

Ernest Bartlett of East Stanham was in town, Tuesday.

V. H. Littlefield and W. H. Brown of East Stanham were in town Tuesday, they drove over with Mr. Littlefield's car. Mrs. and Mrs. Rupert Richardson spent the week end at Norway Lake.

W. W. Gallagher went to Portland, Saturday.

Mrs. E. C. Murch is visiting her broth-er, Victor L. Partridge and family at Norway Lake.

Oxford Electric Club held a spring opening at their club house this week, Thursday evening. A general get-together for sociability and a discussion of base-ball is the object for calling the special gathering.

Foster Jackson, who sold his farm re-cently organized rehearsed in Engine House Hall Tuesday evening. This was the second meeting and excellent progress was made with the new music. They ex-pect to fill their first engagement here in the parade Memorial Day. Allie Cote, the well known cornetist, is leader.

BIRCH WON AGAINST TRUMAN

Homer Truman, for the third time, was unable to win his match with Birch, the smiling Finn, and lost in a two straight fall contest. Time 9 minutes and 7 minutes, respectively.

The show was staged by Frank Stairs at Norway Opera House Thursday eve-ning, April 15, and attracted a good sized crowd. Orest Vadali of Cam-bridge, Mass. acted as referee with "Mickey" Welch timer.

Young Payne of Norway defeated Birch in the first round, 10 minutes, 11 minutes and 12 minutes, respec-tively. Birch was out of the fight in the first round with a one fall argument. This was snappy and the boys were well mat-ed.

One of the big events fully as interest-ing from a local standpoint as the main event was the meeting of Cyk's McGin-ley from South Paris and Young Sullivan of Waterville. Sullivan issued a handi-cap challenge a number of weeks since, but a counter challenge by "Cyk" to go on a best two in three basis was grabbed by the Waterville boy and the date left open. Because of misunderstanding, McGinley met Katron at the Gaiety The-atre, Portland, on Tuesday evening pre-ceeding the Norway show. After receiv-ing punishment eighty-eight minutes, he was in no condition to defend his chal-lenge and put up a rousing fight. Sullivan weighed some 125 pounds more than his antagonist and displayed great form.

McGinley won the first fall in 10 minutes. Sullivan landed two straight hits in about 14 minutes each. In some re-spects it proved an unequal battle as the fight was plainly visible that "Cyk" dropped far below his usual fighting con-dition. At the conclusion McGinley chal-lenged Sullivan to another match after a week or ten days' rest. This was ac-cepted by Sullivan.

Homer Truman was unable to make a dent in A. K. Birch's anatomy during the main show, but fought gamely dur-ing the two hour match. Bucking against some twenty odd pounds more than his weight, Truman matched his skill against Birch, but was unable to get a single point at any time.

Big odds and beef Birch played aggres-sive at any time. He was in the ring for an opening for a lead. Birch won the two falls with only the struggle hold barred. The time is given above.

A novelty turn offered between the matches was the sparring exhibition for points with soft mitts used. "Spike" Ledger of Norway, who is being trained by Fred Banks, and Floyd Harlow of South Paris, gave a lively six minute exhibition, divided into three rounds. A newspaper decision was made in favor of displaying the most points to Ledger.

Bolos Beter of Cambridge, Mass., at-tended the show and challenged the win-ner of the main bout. As it turned out, he expected to meet Birch at Norway Op-er-a House Friday evening, April 23.

Wrestling and Tug of War
Promoter Frank Stairs has arranged an attractive bill for the athletic show at Norway Opera House, Friday evening, April 23. The big mill featuring Wm. Birch of South Paris and Bolos Beter of Argentina will prove a wrestling con-test of merit. This match is the out-come of a challenge issued by Beter one week ago and both contestants will go after the bacon with a relish.

A pair of new ones will appear in the form of Ralph Kilgore of North Norway and Young Svett of Norway. They have promise for a wrestler's title and membership in the work of the sev-eral committees, each of which has its par-ticular duty to perform. Especial men-tion must be made of Klain and his en-tertainment committee who are always on the job. Dances, smokers and lunch-ette have been held on Monday evening, April 26th promises and surely will be the most important and interesting meet-ing since the organization of the Post.

On that evening Adjutant General McL. Presson of Augusta will be pres-ent and address the boys. Oxford and South Paris Posts have been invited and a general invitation is extended to all ex-servicemen. Any and all ex-servicemen whether members of any post or not will be welcome and luncheon will be served. Now the local member is this: that the time is Monday evening, April 26th at 7:30, also that your destination is K. of P. hall and the command is "over the top."

Clifford Seathorne, who entered the U. S. service about a year ago on a three years' enlistment, is with Battery F, 6 Field Artillery, stationed at Coblenz, Lutzel, Germany. Priv. Seathorne is re-turning from the front and spent some weeks in the hospital.

David Tobey has moved his family from the Cummings tenement on Whit-man street to the Tubbs house near Hicks Crossing, South Paris.

Rev. M. O. Baltzer has been spending the week with his brother in Lynn, Mass., and with friends in Connecticut. He planned to return Thursday.

A petition reaching through two townsships and containing the autograph of all the first citizens is to be an-nually presented to the Central Maine Power Company of Augusta and else-where asking that they carry out the terms of the franchise they assume in taking over the Oxford Light Company business. W. A. Bicknell circulated in this town and active solicitors are work-ing in Paris. The date is needed and can be made to pay.

Time was when the church was the ear of the community and the minister's announcements were carried to all the homes. Now the local paper does that work-much better than the good parsons. Read the Intelligence ads on page 8 and 10.

If the Central Maine Power Company decide to operate the street railway be-tween the hills there will be a sub-active demand for their preferred stock in this vicinity. No, doubt of it.

Several of our subscribers have writ-ten kind letters and sent \$2.00 to pay for their paper one year. They said the paper was worth that to them and they were willing to pay for value received. Of course this is pleasing, but we have not made up our minds to make the fifty-cent rise as yet. We have a hundred reams of paper in stock and as much more on the way and it is a struggle along with the \$150 cash in advance rate. All papers stop when the paid up time comes.

N. U. Greenlaw lost a wheel from his auto and found it without using our In-telligence Column. Lucky man, but in so doing we lost 30 cents.

Mrs. Franie I. Holmes

Mrs. Franie Isabel Holmes, wife of George W. Holmes, passed away Friday morning at 9 o'clock at the Eye and Ear Infirmary, Portland, after a lingering illness.

Mrs. Holmes was taken ill nearly a year ago, the trouble developing into pleuritis, from which she had been a great sufferer. She was taken to the hospital December 12, and submitted to an operation, which relieved her for a time and she returned home January 9, hoping for complete recovery, but she failed to gain and returned to the hos-pital December 24, where she has been un-der treatment and her living thus long has been almost without parallel. Her younger daughter, Mildred, has been with her mother during all her weeks in the hospital.

Mrs. Holmes was born in Ebbensburg, Pa., May 9, 1859, the daughter of Dr. George Parmenter and Olivia Stearns. When very young the family came to Lovell and in 1864 moved to Norway, where Mrs. Holmes acquired her education. Being a member of the class of 1879 at the high school, she was in 1881, she was united in marriage with George W. Holmes. Two daughters were born to them, Helen, librarian at Nor-way Public Library, and Mildred, who is training for a nurse at the Eye and Ear Infirmary, and has been with her mother.

Mrs. Holmes was a member of the Sec-ond Congregational church, and promi-nent in all the departments. Her life was devoted to her home and her church. She had been a teacher in the Sunday school since she was a young woman and for a number of years her class was known as the Sunshine Class. For many years she was president of the Ladies' Circle and held the office of honorary president at the time of her death. For more than thirty-five years she had been in charge of the dinners served by the Circle at the Oxford County Fair.

She had the faculty of smoothing the rough places, and under her guidance all things worked harmoniously. For many years she had been president of the Wo-man's Missionary Society, and here, too, her goodness of heart won her steadfast friends. She was also a member of the Barton Reading Club where her influence for the bright side of life was felt.

Besides her husband and daughters, she leaves one sister, Mrs. Mary E. Briggs and a brother, Dr. Harry P. Jones, both of Norway. Her twin sister, Mrs. Mabel Bradbury, passed away a number of years ago.

The funeral was held from the home, Monday at 2 o'clock in the afternoon, and was attended by relatives and friends who had known her worth and sympathy. She was surrounded by beautiful flowers, silent, appreciative tokens. Rev. R. J. Bruce of Portland, a former pastor and close friend of the family was the at-tending clergyman, assisted by Rev. M. O. Baltzer. The bearers were E. N. Sweet, H. B. Foster, A. L. F. Pike and Simeon Harriman. Burial in Pine Grove cemetery.

Adjutant General McL. Presson Speaker At Legion Meeting

It is generally known by the towns-people that the local post of the Ameri-can Legion is "starting something."

This may be seen by its ever increasing membership and work of the sev-eral committees, each of which has its par-ticular duty to perform. Especial men-tion must be made of Klain and his en-tertainment committee who are always on the job. Dances, smokers and lunch-ette have been held on Monday evening, April 26th promises and surely will be the most important and interesting meet-ing since the organization of the Post.

There is a baseball game scheduled for next Saturday between Mexico High School and Norway High. It will be held on the fair grounds here and will please all lovers of the sport.

Esther Hutchins and Elizabeth Down-ing of the class of 1921 have been chosen to represent the school at the New Eng-land Typewriting Contest to be held at Simmons College, May 1.

The following students earned Pro-ficiency Certificates recently by writing from copy on the typewriter for ten minutes at a net speed of over fifty words per minute: George Crocker, '20; Alma Noyes, '20; Esther Hutchins, '21, and Elizabeth Downing, '21.

Congregational Church Notes
Norway Lodge, No. 16, I. O. O. F., will be the guests at the morning service Sunday. A sermon appropriate to the occasion will be delivered.

Junior and Senior Endeavor Societies will hold their meetings at the usual time. Regular evening meeting in the vestry at 7:30.

A rehearsal of the Choral Club fol-lowed by a chafing dish social was held in the vestry Wednesday evening. The new song books were looked over and they will be used the first time at the Sunday evening service.

The postponed annual meeting of the Woman's Missionary Society will be held with Mrs. M. O. Baltzer, Wednesday af-ternoon, April 28. It is important that every member attend as officers are to be elected and business transacted.

Inter-church work will be commenced next Sunday and will continue during the week. This matter will be taken up by the pastor, Sunday.

Norway Baptist Church
Are we really taking God seriously? What do men care about God anyway? Come and hear the questions discussed at the Baptist church by Pastor G. H. Newton next Sunday morning at 10:45.

Victory Camp, Royal Neighbors of America, will hold a whist party at Woodman Hall next Tuesday evening, April 27th. Woodmen and their wives are invited.

The special parish meeting held Fri-day night at the Universalist church vestry, it was voted to authorize the parish committee to expend not over \$1,000 for remodeling the heating plant. The most feasible plan is to relocate the fur-nace at the north end of the basement with a large pipe running to the auditor-ium. New sills under will replace the old ones as the memorial windows are threatened with injury from sagging. A proposition that the men of the parish bear the expense was favorably received.

Mrs. Charles E. Sargent attended the funeral at Searsport, Sunday of Mr. Sar-gent's older brother, Mial Sargent.

The Patriotic dance at Norway Opera House, Monday evening was well attend-ed. A union service in the interest of the colored people was given under the aus-pices of the Somerset Club, the latest social organization of young bloods in town. Imperial Singing Orchestra, eight pieces furnished the music.

Principal Hal R. Eaton of Bangor High school has received notification of his election as principal of the Bangor High school at Lynn, Mass. It is under-stood the position has been accepted.

Prof. Geo. A. Yeaton is on a trip to East Brownfield, Fryburg, Sanford and Portland. He will return to his Norway office the last of the week.

Stores, offices, the banks and several manufacturing places observed Patriots Day and remained closed Monday. The shoe factories worked as usual, but labor was optional.

The Sewing Circle will meet at the home of Mrs. Mattie Cummings, Friday afternoon.

Elizabeth Bartlett of Andover, who is attending the Norway High school, was taken to the G. M. G. hospital at Lew-iston, Monday afternoon and an op-eration performed for appendicitis. Mrs. A. J. Stearns, where she lives while in school, went with her.

Arthur Higgins is at Dr. Cobb's pri-vate hospital at Lewiston for treatment. Mrs. Adia Libby has been in Portland caring for her daughter, Mrs. Chester Holbrook, who has been ill.

David Klain was home from Bryant & Stratton Commercial College from Fri-day until the first of this week.

Howard S. Maxin has opened a gar-age and auto repair shop on Greenleaf Avenue. He has had long experience in this line and no doubt will get his share of the work in this vicinity.

Mrs. S. G. Richardson is not gaining as fast as wished. She has been stop-ping with her son and wife, Mr. and Mrs. Wilbur Rogers for a few days in the village.

DOWNWARD COURSE

Fast Being Realized By Norway People

A little backache at first.

Daily increasing 'till the back is lame and weak.

Urinary disorders may quickly follow; Dropsy and often Bright's disease.

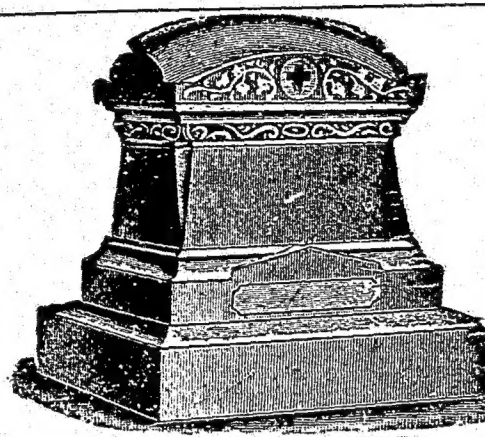

This frequently is the downward course of kidney ills.

Don't take this course. Follow the advice of a Norway citizen.

Mrs. Mary Gammon, 14 Beal St., says:

"I have kept Doan's Kidney Pills on hand for years, in fact, ever since I first took them some years ago. The symptoms I noticed at that time indicated kidney complaint. There was a dull heavy ache across the small of my back and often attacks of dizziness came over me. Doan's Kidney Pills which I got from Frank Kimball's Drug Store, proved fine in relieving me of these troubles. I take Doan's off and on now and couldn't wish for anything better to keep my kidneys in good condition."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gammon had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

EAST SWEDEN.

School in this district began April 13.

It is being taught by the same teacher that taught the winter term, Lucy Whitaker of Gorham, Me.

John E. Flint with his helper, John Evans have been getting ready for his summer's work by making tables, diving platforms, etc., for the summer camps.

Mr. Flint has a contract to build a boys camp on the shore of Bear Pond in South Waterford. He has the lumber on the spot and is there as work.

Charles Gammon of East Waterford has been in town for a few days.

H. H. Bisbee has had a part of his buildings shingled. Albert A. Haywood and George Porter have been doing the work.

D. T. Adams is working at Pike's mill.

John Pike is running the mill this spring and has Walter Morrill, John Woodis, George Bidlon, Ed. Bidlon and Daniel Ridlon working for him.

Hugh Smart is butchering and running a meat cart every week.

The maple syrup makers in this place have been Millard Adams and Haskell & Kneeland. They report quite a good run of sap.

Mrs. Lucy Haskell is visiting her son, O. H. Haskell and family for a while. Mrs. Kimball has moved his family from Albany to his old home here on Kimball hill and he and his brother, Wyman are sawing wood for the towns people with a gasoline outfit.

Winfield Stevens, Hugh Smart, John Pike and John Woodis got their year's ice not long since from Bear Pond and report it from 15 to 18 inches thick and good ice.

Eloise Millett has gone to South Paris to teach this spring.

Earl Millett has finished work for Geo. Hill and is now at work for his father. They are working on the road over at Mutiny Corner. Will Littlehale is at work with them.

Carlton Millett was over to Norway one day last week and had sixteen teeth extracted.

Harry Allen and wife have moved into the library at the Flat and Mrs. Allen is going to tend the library.

Annie Grover has been ill with a stomach trouble for a few days, but is better now.

There is more Catarrh in this section of the country than all other diseases put together and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, taken internally and acts thru the Blood on the Mucous Surfaces of the system. One Hundred Dollars reward offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

After careful study of all the conditions, including the pre-war conditions in Europe, the large starch manufacturers of Aroostook County who had asked the assistance of the Experiment Station in their study of the situation were forced to the conclusion that the chief industrial use of the potatoes produced in Aroostook County would be limited to starch making, and that one could not, because of the competition of corn, look to growing potatoes primarily for industrial purposes. Potatoes will be continued to be grown here in increasing amounts, in Maine for food and for seed. The starch making will be secondary and for the chief purpose of conserving the crop when there is an over production and of furnishing a cash outlet for culls.

A Good Boom

T. A. Roberts Women's Relief Corps is having a great boom. The corps had been quiet so long that it was becoming stagnant. Occasionally one would join and another would drop out, so it remained about the same. The president and some others realized that the Corps was not fulfilling its mission, so taking the cue from the centenary drive that big things could be accomplished if they started for them in earnest and last Saturday showed the wisdom of the resolution for twenty-five new members were initiated.

The Corps could not manage them all at once so made two classes of them. One came at 1:30, the other at 3:30. There is from 10 to 15 more to follow.

When the business session closed the ladies had a buffet lunch and to appreciate it one ought to see it for it would take all day to describe it. It is needless to say all had a good time. Four comrades came in to witness the initiation.

Geo. Turner of Portland was in town, Monday.

A. J. Holden was on the sick list. Mrs. Annie Edwards went to the hospital, Monday. This is the sixth time. She has been to have a cancer removed.

Geo. Siders and wife of Portland spent Sunday and Monday with Mrs. Siders' mother, Mrs. Hattie Farnham.

Percy Whitney has moved from the Geo. Andrews rent to the Congregational parsonage. Mr. Paul, who has occupied the parsonage moved out last week. Lettie Walker of Portland spent a few days with her aunt, Mrs. G. H. Jones.

Auction rain or shine, 1:30 p. m., Saturday, April 24, at the residence of Geo. Mains, Oxford village. Household goods, farming and blacksmith tools, also a tent. The inter-church world movement campaign in Oxford will be under the direction of Dr. H. P. Davis. The publicity leader is Mrs. James Cook.

The Pottle Transfer Company has been purchased by Harry Smith and Albert Farwell.

Mrs. Charles Herslop returned from the Central Maine General Hospital in Lewiston, Monday.

Mr. and Mrs. Walter Bean, Jr., arrived Saturday from Ormond, Fla. Mr. Bean has been employed as head waiter at the Hotel Ormond this winter.

C. M. Andrews has finished lumbering operations on the John Kemp lot. About 300,000 feet were cut this winter on this lot.

EAST STONEHAM

Charlie Stearns has been doing some papering for Mrs. Ada Hill the past week.

Earl and Raynor Brown of North Waterford visited at their brother's, W. H. Brown's, Saturday.

A. B. Garelson of South Paris was at V. H. Littlefield's, Saturday.

Mr. and Mrs. Will Bird of Albany were at Frank Grover's last week.

S. W. Johnson is working down at Lovell.

Mr. and Mrs. Fred Warren of North Lovell were at S. W. Johnson's, Sunday. Mrs. F. R. McAllister visited her sister, Mrs. Virgil Stevens, Thursday.

Cecil Barker is working at North Waterford.

Mr. and Mrs. Edminster were at W. H. Brown's, Sunday.

Leon Stearns and Catherine Littlefield were home from Norway High school.

Mr. and Mrs. Frank Grover visited his brother, Will Grover in Albany, Sunday.

Mr. and Mrs. Johnnie Files visited at West Stoneham, Sunday.

Eula Parker went to Norway one day last week.

Leonard Milliken is soon to move into the Jane Russell house.

Stillman McAllister was at his sister's, Mrs. Eva Richards', Saturday and Sunday.

Charles Stearns, Chas. Chaplin, Arthur and Errol Curtis went to Waterford Flat Sunday.

Mrs. Sarah Brown has been sick with a stomach trouble.

Bartlettboro

Ernest Bartlett went to Lovell and Norway last week on business.

Bernard McAllister drove the stage for his brother, Merton, last week.

There was a circle at the vestry, Thursday evening, entertained by Mrs. Lucy McKean and Mrs. Charles Chaplin. There was a good crowd and a good time reported.

Errol Barker was home over the weekend from Albany, where he is teaching school.

Mr. and Mrs. Ernest McAllister visited at S. W. Johnson's, Sunday.

Vera Butters and Eleanor Adams spent Saturday and Sunday with Gertrude Adams.

Clarence Files has been hauling hay from his mother's place to Stoneham.

Mrs. Lucy McAllister visited her daughters, Edith Chaplin and Maybelle Barker, a few days last week.

DIXFIELD

Lyman K. Swasey Post, No. 100

Twenty of the young men of the village, who served during the late war, either in training or in actual service overseas, met Thursday evening at the Board of Trade rooms and organized a post of the American Legion, to be known as the Lyman K. Swasey Post, No. 100, in honor of a former resident of Dixfield who lost his life while in service in France.

Frederick W. Smith, who has been instrumental in bringing this organization about, presided at the meeting and was elected Post Commander with the following list of officers: vice commander, Errol C. Torrey; adjutant, Geo. P. Stowell; financial officer, Dr. James M. Sturtevant; chaplain, Floyd S. Holt; historian, Harold Watson; athletic officer, Celand T. Newell; sergeant at arms, John Clemmens. This Post, organized in this section of the county will accommodate those living in the adjoining towns of Peru, Mexico, Carthage and Weld.

Plans are being made by this Post to observe Memorial Day in town.

"H's"

We'd call the new Spring Hats "andsome 'ats," but being strictly American from head to foot, we admit that they are wonderfully good looking and then on to say that they were made in America—the country that never took its hat off to any nation for making hats, heroes or history. This is only a little Spring Hat announcement in which we have injected a pat of patriotism. We are back of these new fashions and we are back of the Grand Old Flag under which they were built—and we enjoy the opportunity of talking about both in the same breath.

Just Where and How
Is the Money
to be Spent?A businesslike Answer to
a businesslike Question

THIRTY denominations cooperating in the Inter-church World Movement have budgeted their needs. No business could have done it more scientifically.

They have united to prevent the possibility of duplication or waste. At least a million dollars will be saved by the fact that thirty individual campaigns are joined in one united effort.

Each denomination has arranged its budget under six main heads:

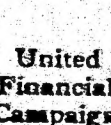

1. FOR THE CHURCH'S WORK AT HOME. A score of items come under this head. Consider only one. Five and a half million people in the United States cannot even read and write the English language. Who is to carry forward this vast work of Americanization if the church does not?

2. FOR HOSPITALS AND HOMES. Every year thousands of men and women are seriously ill and are turned away from Church hospitals because of lack of room. The children's homes are compelled to turn away more children than they can receive.

3. FOR HIGHER EDUCATION. Of the 450,000 American students in institutions of higher grade, one-half are in institutions founded and supported by the Churches. Many of these institutions have had no great endowment campaigns, but their needs are just as pressing as the needs of larger schools; and you have only to read their list of alumni and alumnae to measure the value of their contribution to America.

Each denomination has its own detailed budget, and will administer its own funds. Your pastor has copies of the budget; examine them for yourself. In the week of April 25th-May 2nd you will be given your opportunity to help. You can do it with the full satisfaction of knowing that every dollar of your gift has its post assigned to it in advance.

Every dollar for better America and a better world. When your church calls on you give—and give with your heart as well as your pocket-book.

BETHEL

Bethel Grange held an all day meeting, Thursday, April 15. Pleasant Valley Grange, West Bethel, was invited to meet with them and a large delegation responded to the invitation. There were also present members from Bear River, Canton, Franklin, Mountain View and Norway granges. In the enforced absence of Worthy Master Copeland, the Overseer appointed Herman Mason to the chair. Meeting opened in form and after a short business session the third and fourth degrees were conferred on Mrs. Gertrude Bartlett, D. Grover Brooks and Alonzo Chapman. Brother J. H. Little of Bethel Grange conferred the third and fourth degrees on Mrs. Pleasant Valley Grange the fourth degree. A recess was declared in which time a bountiful harvest feast was enjoyed.

At 1:30 the gravel fell and after a song by the grange the lecturer, Sister Jodrey, took charge. The following interesting program was presented: music, with Sister Howard of Pleasant Valley Grange presiding, original poem, Sister A. E. K. Grover, Norway Grange, encore. The question, "Money in the bank or an automobile," was opened by Rev. J. H. Little of Bethel, who interestingly illustrated the serious as well as the humorous side of owning and riding in an automobile, but rather proved a bank account and a good driving horse. Herman Mason, E. Smith, L. Shimmer and several others were rather in favor of the auto and bank account too. Original poem, Zenas Mills, encore, original paper, "Liars as I know them," was well presented by Sister Martha Kendall.

The topic, "To what extent does the prosperity of the farmer depend on his wife," was responded to by almost a babel of voices, all in favor of the ability of the presiding angel of the household. Song, Sister Howard, reading, Gertrude Brown. Then followed a most enlightening and instructing address on "The Condition of the Country" by Rev. J. H. Little of Bethel Grange. Several responded to remarks for the good of the order, closing songs were parting hymn and America.

A vote of thanks was extended Brother Little and Brother Smith, also to Sister Howard for their kindly services. The several visitors expressed their appreciation for the day's pleasure, minutes read and meeting closed in form.

Oxford Pomona at West Bethel, May 4th.

BEST ESSAY SUBMITTED

The following essay submitted by Ruth E. Winslow, a Senior at South Paris High School, South Paris, in the National School Contest upon the subject, "The Benefits of an Enlistment in the United States Army" has been selected by the judges as being the best essay submitted in this recruiting district, comprising the states of Maine and New Hampshire. The Silver Cup offered as a prize is accordingly awarded to Miss Winslow. The judges of the essays submitted were Major General H. P. McCain, U. S. Army, and two other army officers at Camp Devens, Mass.

Join the Army

We often hear it said, "Join the Army. Walk Around the World, Fifty cents a day." Of course this is only the humorous side of the question, but really what a lot there is in that quotation! The Army life offers better advantages to the fellow without a home, surely, but the World's War shows what can be made of a fellow who has a chance.

One Buddy writes to another, "I thought I was faring pretty tough until I saw in a paper from home the prices there. Sure, wherever from fifty dollars up, board and room accordingly; so I reenlisted for another three years. Yes, maybe I am foolish, but Buddy, when I'm weary, I'm pretty sure of as good a bed as my fellow. When my clothes become ragged, Uncle Sam foots the bills. In regular times I'm sure of my three square meals a day. What more could a fellow ask for?"

"I'm never out of a job here, and worrying about the morrow. You know I was always interested in machinery, but never found the time and money with which to go to the training school. When the question was put to me, I chose the place where I could receive education of the best in the automobile business. After my three-years enlistment has run out, if I choose, I can be something besides a factory day-laborer at three dollars per day."

"You wrote to me Buddy, that you were trying to pay doctor's bills because the flu caught you. I'll admit it isn't very encouraging when you are going fifty-fifty with the M. D. Here Uncle Sam pays him, to keep me well and when I'm ill to cure me."

"Say Pal, you should see the sights I'm seeing. Not being content with France, Germany and England, I'm on my way to China, and say when I think of you up there, buried in the snow to your ears, I just stretch out in the shade or take a cool, refreshing swim in your honor."

"I never realized what it meant to live and let live, while I lived in the town back home. Of course it was home and naturally very dear to a fellow's heart, but when you see the different corners of the world, Buddy, you begin to enjoy life."

"Of course 'twas no joke when we Regulars were sent to France, but wouldn't any red-blooded American have done this duty then? Surely, and we were glad to be able to help whip the Hun."

"Our folks at home are well protected too, for the government furnishes us with as safe a life insurance as you will find anywhere in the States. 'We pay for it, of course, but the rates are much smaller than those you are paying."

"When we are too old to reenlist, we aren't left penniless as you factory men are when you can no longer keep the standard of your work. The retired soldier gets three-fourths of his pay for life, \$15.75 extra for food, heat and light."

"Geo, Buddy, it's a great life, and then, way down deep, don't you know, it's quite a satisfaction to know you are helping Uncle Sam, in return for what our Country has done for us. On the whole I'm satisfied, happy and well, so spread the news, Buddy, Join the Army, be Somebody."

Remember when the first automobile came to town

TODAY there are more than 7,000,000 of them in the country. Pretty soon nearly everybody in this section will be traveling around in his own automobile.

The first thing a man wants to know nowadays, when he starts out to buy a car, is *how much it is going to cost him to keep it running.*

It's all very well to take some dealer's word about a tire—if you know *who he is* and his *object* in selling it to you.

Our object in selling U. S. Tires is to have you *come back* for more—and *be glad*

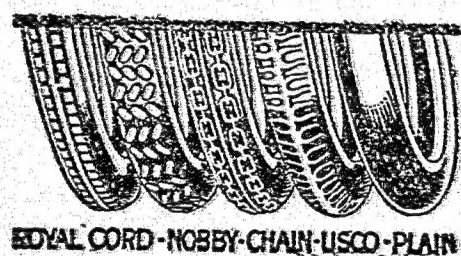

that we sold them to you.

U. S. Tires have a record behind them.

They are built by the people who perfected the *first* straight side automobile tire, who produced the *first* pneumatic truck tire.

Two of the greatest contributions to *tire* and *motor economy* ever made.

As representatives of the oldest and largest rubber concern in the world, we have a reputation to live up to. We can't afford to substitute "just as good" tires for tires of *standard quality.*

CHILD SAVED BY MOTHER

Gertrude Lamarre, six-year-old daughter of Mr. and Mrs. Anselme Lamarre, 29 Main St., Sanford, Maine, was saved from fits by the prompt action of her mother who administered Dr. True's Elixir.

Mrs. Lamarre wrote the following to Dr. J. F. True & Co.: "My daughter, Gertrude, had dizzy spells and could not even go out for she always complained of being sick. She used your elixir (Dr. True's Elixir, the Family Laxative and Worm Expeller.) She never had any fits since. I feel very grateful to you."

Symptoms of worms: Constipation, deranged stomach, swollen upper lip, sour stomach, offensive breath, hard and fully belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on the tongue, starting during sleep, slow fever.

Dr. True's Elixir has been faithful in its duties as a family laxative and worm expeller, since 1851—over 68 years reputation. Everyone can improve their health by simply looking after the bowels—a pure herb, laxative which Dr. True's Elixir is, will promptly relieve all worry and disorders. AT ALL DEALERS.

Bright eyes

Dull eyes and that disagreeable, listless feeling are usually the first signs of a bilious condition. A tablespoonful of "L. F." Atwood's Medicine should be taken promptly to stimulate the action of the liver, bowels and other digestive organs. This household remedy never fails to bring quick relief and may ward off a serious attack of indigestion.

Sufferers from biliousness should have a bottle always on hand, and take small doses regularly as a precaution. This will tone the stomach and keep the entire system healthy and normal.

Don't experiment with unknown widely advertised pills and tablets that may contain acetanilid or other coal-tar derivatives. The true "L. F." has established a splendid reputation through 60 years of unchanging quality, and is well worth the confidence it enjoys. It has been used in many families with unvarying beneficial results for three generations. Get a bottle today. Most druggists and storekeepers carry it. A large bottle, 50 doses for 50c, or a free sample from the "L. F." Medicine Co., Portland, Maine.

Vermont Man Says It Is Wonderful

Eats Anything, Sleeps Like A
Child and Finds Work Like
Play Since Taking Tanlac

The best evidence of the merits of a medicine is what people who have actually taken it have to say about it. This is true and beyond all question when such statements are made by people of high character and published right in the community where each and every fact can be investigated and verified.

Joseph Andre Chicome, the master carpenter and builder, of 31 Worth St., Winooski, Vermont, near Burlington, after testing the powers of Tanlac, says:

"I believe in giving everything its due and I want to say right now that I just can't recommend Tanlac too highly for what it has done in my case. I had suffered with rheumatism in my joints for two years and could not do my work without great pain and hardship. I had lost almost fifteen pounds in weight and was so nervous and shaky that I could hardly hold my working tools in my hand. My sleep was never sound, I was dizzy a great deal of the time, and so nervous and irritable that the least noise, either in or about the house, would upset me completely.

"My daughter advised me to try Tanlac, having heard of it through a friend from Montreal, Canada. I had already tried many other medicines without satisfactory results, but I had taken only a few doses of Tanlac when I felt great relief. The pains have disappeared from my legs and joints entirely now and I have also been relieved of my nervousness and dizziness. I sleep like a child at night and my appetite is so enormous that my wife jokingly said the other day that I would either have to add to her allowance for running the table or stop eating so much. Saving and chopping wood was work I could not do before taking Tanlac, owing to weakness; but now it is only recreation for me. Life is now worth living for me and with such wonderful results I cannot help praising Tanlac. I have told a great many people personally about how it has helped me and am glad to make a public statement for what it may be worth to others who are needing such a medicine."

Tanlac is sold in Norway by A. L. Clark Drug Co., and in West Paris by S. T. White.

Better general health

"Tone Up"

After the rigors of winter, during which time you have lost some of the energy, ambition and "pep" of normal times, you need a tonic.

You can regain all your previous strength and energy as well as get rid of that languid, listless, "what's-the-use" feeling.

Also improve your appetite and digestion, by taking the regular course of one of these special tonics:

REXALL BEEF IRON & WINE

BAMBOO BRIER BLOOD BUILDER

IRON & CASCARA TONIC WITH CELERY

SARSAPILLA TONIC, & PEPTONA.

These preparations are not so-called secret remedies. We can tell you what they contain, and in what way they will benefit you.

O-REST VADALI

Some honor it is to be a champion wrestler and carry around a belt, a gift from the King of Italy and brilliant press clippings. Orest Vadali of Cambridge, Mass., has the distinction of holding the Italian championship of New England and carries a bound volume of genuine newspaper clippings, posters and photographs to prove his claims.

Vadali has been in the game ten years. He has been featured in a strong man act with Ringling Bros. circus and served eight months in the army during the late war. Vadali was physical director for the soldiers and gave exhibitions of wrestling and heavy weight juggling at Y. M. C. A. huts and other places of amusement.

The ability to stay an hour and more with Gardini is some honor. To defeat William Long, a former U. S. Aviator, and Goulet Young Taffalof is also some stunt. Getting Frank Lurich, the Polish champion, and sending Elias Kalama the Terrible Turk to the mat is a feat worthy of mention. Joe Shinkus, the Lithuanian champion was also a victim of Vadali's skill and strength. Nastor has met the young Italian and Dellamano will remember Orest many years. Wladec Zbyszko and Vadali met in Somerville last November and a lively battle was put across with the Italian champion on the mat for a long stay.

As a juggler of heavy weights Vadali has the best of them stalled.

There will be a rehearsal for the rank of Page at K. of P. hall this Thursday evening, commencing at 7:30. Every member of the team should make an effort to attend.

Fennessewasse Lodge, K. of P., is making preparations to observe ladies' night in the near future.

C. Wilson Walker is to give his personal attention to the transfer business and will give the people the best service possible. If patronage will warrant he plans to put on a larger bus and increase the service. He will also carry along the auto sales and exchange garage on Deering street in conjunction with the Hosmer Bros.

Baseball game at fair grounds Saturday at 2 p. m., Norway High school vs. Mexico High school.

Lake Temple Pythian Sisters conferred the degrees on two candidates at their regular meeting, Tuesday evening. A buffet lunch was served after the work.

Friday evening the members of Mrs. Elizabeth Sampson's class in the Sunday school are to have a leap year party. There will be music and games.

Mrs. Elizabeth Andrews and daughter, Nellie, have opened their home for the summer after spending the winter in Massachusetts.

The men of the Universalist church will hold their annual supper and entertainment Thursday evening, April 29 in Concert Hall. The menu will be very attractive as usual and the entertainment one of the best. Tickets are now on sale by members of the congregation.

Mrs. Eugene Lebroke returned Monday from the Central Maine General hospital and is recovering rapidly from an operation for appendicitis.

Mrs. Fred E. Drake and her mother, Mrs. Clara Hayden left Monday for a few weeks' visit with relatives in Massachusetts. They stopped on the way at Portsmouth, N. H., for a few days with Dr. and Mrs. Charles E. Johnston.

Mrs. Carrie Sandbrook of South Portland has been the guest of Dr. and Mrs. Harry P. Jones, coming to attend the funeral of her cousin, Mrs. George W. Holmes.

No preaching service at the Methodist Episcopal church last Sunday as Rev. and Mrs. E. A. Sullivan were attending the conference at Bath.

Edith Rideout, teacher of English at Coney High school, Augusta, spent the holiday with her mother, Mrs. B. S. Rideout.

Oliver J. Foss was called to Leeds Sunday by the death of his mother, Mrs. Vesta Foss, who had been ill several weeks.

The boys' class at the Universalist Sunday school has been organized with Glen B. McIntire as teacher. They will be known as the Knights of Honor and their motto is "Do what's Right, Come What May." The officers are: President, Glen McIntire; vice president, Carroll DeCoster; secretary and treasurer, Houghton Kimball. By-laws have been drawn up and meetings are conducted according to parliamentary rules. The headquarters are at Houghton Kimball's home, and meetings are held every Sunday night.

Mr. and Mrs. Ernest Ham of Auburn visited Mr. Ham's mother, Mrs. Ella Ham, the first of the week.

Veranda Club Notes
Mrs. Cordelia McKay was hostess at the club meeting, Wednesday, April 14, Cummings place. The club was well represented. A social hour was enjoyed before the opening of the meeting, which was conducted by Pres. Sadie Lapham. The club will again become busy with quilt work. There are several on hand to complete with others engaged to tuck and finish for customers. The thought of remembering the sick was not overlooked though busy with work. The mystery box was a feature of the evening's pleasure. Alta J. Sheen was the lucky winner.

The following program was given by Alta J. Sheen and Maude Austin. Quotations by members in response to roll call, conducted by secretary:

Narrow Escape From Drowning

While out trapping recently, P. C. Den-
nett and J. W. Goldthwaite had a narrow
escape from drowning, caused by their
canoe capsizing, both being unable to
swim, it was miraculous that they got
out.Mr. Dennett clung to the canoe and
drifted nearly one-half mile before he
was able to catch hold of a branch
and gain the shore. Mr. Goldthwaite
fought for his life going down many
times, but struggled until he was able to
reach the shore, when they got out they
were nearly frozen, but they kept travel-
ing until they found E. C. Buzzell, who
took them in his boat and brought them
to shore where they could quickly recover
from their experience, besides being very ner-
vous.**SOUTH HARRISON**Henry Leighton has sold his horses to

Big Gathering At Field Day
More than 500 people attended the fourteenth annual field day given by A. W. Walker & Son at South Paris, Wednesday. A successful demonstration of farming appliances was followed by the usual fine dinner with brief address from prominent speakers. Visitors were present from all surrounding towns and the tendency to leave orders for machinery to replace man power on the farm, was more noticeable than ever before.

Ferry Walker was in charge of the corps of demonstrators representing a number of manufacturers whose products are carried by the well known firm. Gasoline engines, the motor truck unit and the milking machines were features attracting the largest crowds.

The dinner served shortly after the noon hour in the Burnham, Morrill Co. packing room was fully up to the standard set years ago before high costs gave everything a knock-out blow. The menu included baked beans, brown bread, soda crackers, cheese and coffee. Honest to goodness granulated sugar was free to all and real cream was served without stint. More than 400 men and several ladies were cared for, no person went away hungry as there was enough and to spare. The Burnham, Morrill Co. cooperated in this dinner as in the past years with their local superintendent, A. Frank Goldsmith, keeping everything on the move.

The tables were in charge of Mrs. Annie Dudley with assistants including Mrs. Willis Edwards, Mrs. Minnie Edwards, Mrs. George Skinner, Mrs. Ernest Herick, Mrs. A. F. Goldsmith, Eva Walker, Mrs. Ernest F. Shaw, Mrs. Emma Twitcheil, Robert Wise, Willis Edwards, Benj. Twitcheil and George Penley.

Albert W. Walker presided over the exercises following the spread. Rev. C. W. Rogers of the South Paris Congregational Church urged the farmer to produce the limit according to his circumstances. It was the duty of every American agriculturist to plant every acre possible to handle without financial loss. Fred Dodge of Auburn, seed specialist for Burnham, Morrill Co., warned against using poor seed corn and emphasized careful selection, coupled with proper fertilizer and perfect working farming machinery. G. W. Q. Perlman of Woodstock gave a practical talk from the farmer's standpoint. The help problem was discussed in a frank manner, and the farmers position in comparison to the manufacturers' opportunity to handle and market products was ably presented. The speaker urged the farmer to realize a fraternal responsibility and raise all crops possible. It should not be a narrow personal matter, but a national one.

Alton C. Wheeler, ex. of South Paris gave a sound talk on the farmer's position in the economic problems confronting our nation. In a humorous vein Mr. Wheeler referred to his profession as the "non-producing class" and it was the producers who must support them. He qualified his remarks somewhat by stating every person has a mission and it is up to the individual to give his best effort in that position. The farmer holds an important place in every community and indirectly controls the destiny of the nation. Out off the food supply and conditions worse than the trail of ruin after a German invasion would sweep the country. The remarks were a strong appeal for true Americanism and loyalty to a government, the most powerful for justice and righteousness on earth.

L. W. Johnson, assistant manager of the International Harvester Co. branch in Boston spoke of stock and transportation conditions over New England and the West, where he had made a personal canvass.

Leslie E. McIntire of Greenfield Farm, East Waterford, ably expressed the sentiments of the average farmer in his perplexing problems regarding hired labor, the cost of production and amounts receivable for farm produce. Mr. McIntire was to overcome the hired man security by installing machines invented to meet an emergency of this kind. He was not ultra-optimistic over the future, but sincerely believed normal conditions would eventually return if the farmer would keep awake on the job and raise food so far as his resources would permit.

Shaw's Jazz orchestra played for dancing at South Paris grange hall Monday afternoon and at West Paris for the Patriots ball in the evening.

The father and son quartet at the Universalist church parish Monday by the Pathfinder class of the Sunday school was an interesting event. This class has been for several years in charge of Mrs. Elizabeth W. Morton, and is composed of boys of an average age of about fifteen years, who are quite regular in their attendance. The boys invited their fathers, and in addition the next younger class of boys, the minister and superintendent, and a few other guests. Following the supper there were toasts, Frank B. Maxim presiding as toastmaster. Each of the boys of the class responded briefly to a toast. The guests were given a place on the program. Guy I. Sweet in connection with a talk on his experiences, had a collection of interesting photographs on exhibition. The boys presented Mrs. Morton with a handsome pin, and a thought taken by surprise, expressed her thanks gratefully.

The annual meeting of the Seneca Club was held Monday evening at the home of Mrs. Alton C. Wheeler, when the following officers were elected:

Pres.—Mrs. A. F. Goldsmith.
Vice Pres.—Mrs. L. D. Littlefield.
Sec.—Mrs. L. D. Mason.
Treas.—Eva E. Walker.
Press Reporter—Mrs. E. N. Haskell.
Ex. Com.—Mrs. H. E. Wilson, Mrs. Cora J. Mason, Mrs. F. A. Taylor.
Literary Director—Mrs. T. S. Barnes, Mrs. Percy P. Allen.

A fire broke out late Wednesday afternoon in the block occupied by the Twin Town Baking Co., Dr. C. T. Buck, the dentist and W. P. Morton, signs and advertising agency, with a tenement on the second floor. The fire was discovered in tenement floor. Apparently it had been smoldering some hours and worked considerable distance from the chimney, where it is believed it had started. Chemicals subdued the flames with only slight loss covered by insurance.

Rev. C. M. Rogers will spend two or three weeks in Cleveland, Ohio, and will visit his son, Talbot Rogers at Philadelphia. He will leave town Thursday. The pulpit at the Congregational church will be supplied during his absence.

Ruth Bolster has given a surprise birthday party at her home, Saturday evening. Games and sociability occupied the time. Refreshments were served.

From buttoning shoes to washing dishes, there is an easy and quick way of doing all work, as everyone well knows. Now, along comes the scientist, who says his experiments show that, aside from feeling and looking more comfortable when you do your work in the right way, you also save considerable energy.

MERCHANTS AND THE PUBLIC

Closer relationship between merchants and the public, more home trade and improved transportation facilities are among the benefits expected to result through the Commercial Directorate of the new State Chamber of Commerce and Agricultural League. Directors representing each of the 16 counties in Maine were named today by Henry F. Merrill of Portland, chairman of the Commercial Directorate and chairman of the proposed State Pier Commission, to represent the leading commercial activities of the State to Maine. Through the Commercial Directorate working with the Labor Directorate, the Industrial Directorate, and the Agricultural Directorate, it is expected that the program outlined by the new State Chamber of Commerce for a greater and more prosperous State will be successful.

The director appointed for Oxford Co. is George W. Morton of South Paris.

OXFORD

Dallas Benson gave the townspeople a fine exhibition of broncho breaking Saturday afternoon. Dr. H. R. Farris had a horse that had never had a saddle on his back, so Mr. Benson, who is a professional broncho buster, having spent most of his life on a Western ranch breaking ponies, was engaged. After a half hour of severe bucking the horse was finally subdued and is now a fine saddle horse.
